Subject: Disposal of conversion petition

Ref. Your letter vide No.1708 /DL&LRO/17 dated 12.06.2017

Sir,

With reference to the above subject I am directed to clarify that the DL&LRO of the district concerned may dispose of conversion petitions involving a single project over contiguous plots of land ordinarily under the jurisdictions of SDL&LRO and BL&LRO under section 4C, West Bengal Land Reforms Act, 1955 read with Rule 5A(5) of the West Bengal Land Reforms Rules, 1965 on the grounds that disposal of the respective petitions by SDL&LRO and BL&LRO in the same project will cause unnecessary harassment to the petitioners and also that scope of vesting, if any, may be missed out due to such fragmented approach.

In respect of conversion petition involving creation of compensatory water body within the project area, instruction / Rules at 5A (12) of the West Bengal Land Reforms Rules, 1965, with relevant section of the West Bengal Land Reforms Act, 1955, shall be followed.

Yours faithfully,

Sd/-
