Subject:- Absorption of eligible SRO-II in WBLR SERVICE ,Promotion to WBCS (Exe) from feeder cadre of SRO-II, Promotion to SRO-II from R.O and Promotion to WBSLRS Gr-I from feeder cadre of Revenue Inspector.

Respected Madam,

With grave concern, I, on behalf of our association would again like to draw your kind attention to the fact that due to the inordinate delay in the process of the constitution/formation of WBLR service, the promotion of Revenue Officers to SRO-II cadre and the promotion of SRO-II cadre to the feeder post of WBCS (Exe) have been delayed. At the same time we have also seen that the promotion from the post of Revenue Inspector to the post of Revenue Officers has been delayed.

We have observed that there is a clear vacancy of about 100 Officers in the post of SRO-II.

Due to that fact, the concerned officers are going to face financial loss in recurrence in their entire service career. This is very much unfortunate to the poor officers.

Thus, considering the gravity of the situation, I, on behalf of our association would like to request your kind self to peruse the matter with compassion and to allow us to meet your kindself at your earliest convenience to discuss over the different issues related to entire cadres.

With regards,

Yours sincerely,

Krishanu Deb
