Sub: Request for disposal of misnomer applications through e-Bhuchitra.

Respected Sir,

With due respect, on behalf of our association, I would like to draw your kind attention to the fact that our BLLRO offices are overburdened with feeble staff strength. In spite of that, round the year our official at block level are taking load of extra departmental jobs and actively participating in the august developmental programmes such as Banglar Bari. But, unfortunately, we have seen several instances where anonymous persons have thrown applications to the BL&LRO, Offices, for not taking any action in respect of some plots or Khatians. In most cases such applications are devoid of information of any case no or other pertinent material reference for onward prosecution. Running with a handful staff strength, it is practically impossible to perform field verification in every such cases. We, as a responsible association, are apprehending that such type of apparently lineant letters may become lethal in future for the poor BL&LROs for not taking appropriate action in due course of time.

Now, in this connection, on behalf of our association, I would like to request you to consider that in e-Bhuchitra, such a feature may be incorporated wherein such applications be uploaded and flagged with concerned plots/Khatians from the end of BLLRO offices, so that during disposal of mutation case, the concerned Officer will have the knowledge of the application as well the applicant may get an opportunity of being heard.

Sir, in past, we have experienced that our officers are treated as soft target from some corners of the society, media as well as from some part of the fora deals in citizens grievance redressal matters. This is not acceptable for the officers serving the citizens under your esteemed leadership at block level.

Thus, to maintain clarity, the above mentioned matter is placed for your kind information and consideration. .

Yours faithfully,

Krishanu Deb
