CENTRAL COMMITTEE

Memo No.05/ALLO/2023

Date: 31/03/2023

To
The General Secretary
West Bengal Land & Land Reforms Officer's Association

Re: Thanks giving letter dated 28 March 2023.

Dear Comrade,

I, on behalf of our association, do acknowledge and appreciate your letter under reference. We believe that every association has the right to decide on their own course of agitation, it's content and forms. We also recognize your 'natural flare to react'. We also came to know through your letter, what circumstance led your association to this instant unilateral decision on 08/03/2023 & 09/03/2023.

Since the initiation of issue based joint dialogue, understanding and movement of our three associations, we have put a self-disciplinary restraint on ourselves to proceed our cadre's common interests keeping in view of the unity and expansion of the joint movement as a matter of policy and principle, bereft of any purity. We believe in minimum program and maximum participation of our cadres.

We considered your cordial invitation message communicated through social media and readily accepted your formal invitation dated 23/03/2023. We also extend our thanks for the cordiality and applause extended to the speech of our representative and Jt. Secretary, ALLO.WB. by the present members of your association and presidium on 24/03/2023.

We also regard warmly your signing off spirit of hailing the cadre unity and look forward to more intense unified agitation in future as per the demand of circumstance in future.

With regards,

Comradely yours,

Krishanu Deb

(Krishanu Deb)
General Secretary
