Re: Unattended SAR of RO and SRO-II.

Sir,

The old system of ACRs has been done away with the new SAR system. It was a sigh of relief as thought that the electronically transmitted reports will once and for all cure the malady of lost and improperly kept ACRs which obviously could not be readily found on call.

Presently, a new phenomenon has come up, that is, of SARs not forwarded accordingly to hierarchy to the upper level.

For good or bad, SDOs and DMs had been implanted in the hierarchy stripping DLRS & Jt. LRC, who is the cadre controlling authority, to forward the SARs.

Obviously, the SARs are getting stuck and not being forwarded to the next level. On many a time, the SDOs and DMs get transferred and the job of forwarding the SARs of the officers of land department like ROs and SRO-IIs are unattended.

The matter comes up to a crisis during the promotion of RO to SRO-II and SRO-II to WBCS (Exe.) or SRO-I in ISU as well as other wings of the department.

Hence, your kind attention is drawn to retrieve the SAR from the respective authorities and also to take corrective steps to streamline the hierarchy which has been tilted against the land department officers like, SDLLRO, ADM & DLLRO and DLRS & Jt. LRC in the integrated setup.

Yours faithfully,

*Chanchal Samajder*
