NOTIFICATION

No.- 2624/RR/Land-44/2018

Date: 16.12.20

In terms of notification no. 410-GE(M)/RR/O/3T-1/2019 dated 07.02.2019, 94 colonies situated on land belonging to State Government or its parastatals were regularised.

As per para (i) of notification no. 410-GE(M)/RR/O/3T-1/2019 dated 07.02.2019 "where the colonies are situated on land parcels belonging to other Departments of the State Government and its Parastatals except if situated on river embankment, ROW of roads or any such other banned zones, such land parcels shall be deemed to be relinquished in favour of L&LR and RR&R Department and recorded in Khatian- I of the Collector of the concerned district for settlement with eligible families as Homestead land —".

It is being however observed that where a colony established on land belonging to other Department or its parastatals, proposal is being sent to L&LR and RR&R department before issuing FHTD for getting consent from the respective department(s) or parastatal to which the land of the said colony belongs.

Now after careful consideration, it is hereby clarified that para (i) of notification no. 410-GE(M)/RR/O/3T-1/2019 dated 07.02.2019 applies to all such colonies that fall under any other Department's land under Government of West Bengal or its Parastatals and in such cases no proposal is required to be sent for relinquishment of such land and Collector is authorised to record such land in Khatian-1 and take appropriate action for conferment of FHTD to the eligible resident in such colonies.
