To  
The Land Reforms Commissioner & Secretary  
Land & Land Reforms and Refugee Relief & Rehabilitation Department  
West Bengal

**Sub: Determination of modalities of WBLR Service vide Cabinet Memo dtd 08.02.2021 & Deptt Notification No. 406/1E-02/2020, dtd 11.02.2021**

Respected Madam,

We, the representatives of following Associations, representing nearly all L&LR officers of this Department, would like to express our grave concern over the long delay on finalization of modalities of the WBLR Service, **decided to be constituted by the Hon'ble Chief minister in the Cabinet Decision dtd 08.02.2021.**

**21 months are over since the Cabinet took its decision**, but the modalities are yet to be determined by the Department / concerned Authority. A sizable no. of officers has retired during this period without seeing the modalities and its effect.

Kindly refer to our representation of all three association, whereby in the perspective of the instant issue under review, we unanimously proposed at least 868 posts as cadre strength of the proposed LR service, after careful consideration, keeping in view of not only the interest of cadres who would be directly inducted into the service, but also the feeders as per the requirement of all the wings of L&LR department namely ISU, Land Acquisition, Kolkata Thika Tenancy, Rent Control, ULC, PHE etc. Any attempt to bifurcate the SRO-II cadre will definitely invite administrative complications and oppose the cause for which the proposed service is due.

**Madam**, it is pertinent to mention that **officers of L&LR Department have been showing remarkable achievements on time-bound mode in LR works under your able leadership to implement the projects of Hon'ble Chief Minister.**

**We request your kindself to allow a suitable time to discuss the WBLR Service matter for its early implementation to overcome the frustration of Departmental Officers.**

Hope your kind consideration.

With regards,

*Kamal Sengupta*
