Sub: Charter of Demand adopted unanimously on 3rd June, 2023 by our association aftermath the notification of West Bengal Land Reforms Service.

Respected Sir,

Kindly, find herewith, our observation along with the charter of demands as stated above for your kind perusal and consideration.

The acrimonious attitude of the Jt. BDO's and proposal for the curtailment of our quota to WBCS(Exe) from 53% to 30% has generated a tremendous amount of anxiety resentment and hopelessness amongst the WBSLRS Gr-I regarding the future of their career.

We've explained in detail the arbitrariness of fixing only 734 posts in WBLRS which is inadequate to efficiently run the integrated set-up and other wings of this deptt.

WBSLRS Gr-I in combined capacity with their tenure in SRO-II are eligible to be considered to the feeder to WBCS(Exe.) . WBSLRS Gr-I is inducted through the WBCS Examination Group-C. We think, that PSC has certain responsibility and obligation towards the cadre which left to face the brunt.

We certainly resist the mechanisations of the Jt. BDO's and same string pullers behind this play to asphyxiate WBSLRS Gr-I and leftover SRO-IIs.

We request to kindly grant us audience before taking any decision over the matter.

With regards,

Encl: Charter of Demand as adopted unanimously on 3rd June, 2023.

Yours sincerely,

Krishanu Deb
