**Sub : Transfer & Promotion of SRO-I**

Sir,

We draw again your kind attention to the impasse that is existing regarding transfer and promotion of SRO-I cadre.

Age, duration of stay and inter wing transfer are the basic criteria of consideration along with compassionate ground need to be considered prior to transfer.

Generally, the transfer of SRO -I is coupled with fresh promotion of SRO –I cadre from SRO-IIs. At present, the tenure of SRO-Is posted in different Sub -Divisions and Districts have touched a continuous three/four years of service in some cases.

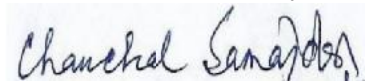

Quite a number of SRO-I are also on the verge of retirement and needs to be transferred near to their home.

Being the senior most members of the cadre, the promotion and transfer of SRO-I should be looked into more responsibly.

We expect that the issue of constitution of LR Service in the department is not creating any impediment to promotion and transfer of SRO-I which is long due.

The department just cannot look away from this long pending issue, and on behalf of our beloved association, we place our submission to immediately take up the matter, as it has been delayed due to election, pandemic and other reasons beyond our knowledge.

Yours faithfully,

  
(Chanchal Samajder)  
**General Secretary**
